CLUB NOTES

Brenda Mattessich was our presenter last night. Brenda is an on-call RN with *Compassus*, a nation-wide network of Hospice and Palliative Care. Being an on-call nurse meant that she was in South Jersey early Wednesday morning with a client and their family. If you have ever needed a Hospice Nurse for end-of-life care you will meet some of the most caring and compassionate people ever.

If you are in need of their services, Brenda can be reached at their offices in Wall Twp. at 732-722-5001. Brenda travels throughout the southern portion of New Jersey.

SERVICE OPPORTUNITY

An opportunity for some "hands-on" service has presented itself. Cliff Baker, from *A Need We Feed*, is again preparing and delivering hot meals to those in our community who are less fortunate for this Thanksgiving.

Cafe Italia, on Route 37, has allowed Chef Mike, from **Atlantic Bar & Grill**,

CLUB NOTES

to use their kitchen from Wednesday to Thursday morning to oversee the cooking operation for the Thanksgiving meals that will be delivered by a huge number of volunteer drivers who will deliver the meals throughout Ocean County.

The delivery portion of this operation takes about an hour early Thursday morning, unless you take a 2nd delivery. Meet at Cafe Italia about 8 am when you will receive your directions.

There will be preparation going on all day Tuesday and Wednesday prior to the actual delivery. A lot of the turkeys have been donated, but they do have to purchase some, along with the fixings, drinks and desserts.

CONGRATULATIONS

CLUB NOTES

Please welcome Bill Kaufmann to our club. Bill comes to us from Langhorne, PA where he has been a long-time Rotarian. Bill has made several of our outside events already like the Halloween Parade and Scouting For Food.

We are happy to report that Marie Daley is *not* leaving our club and will be returning soon, probably after the upcoming holidays.

Have you checked out our clubs' website yet? Pat and Marie have been working on it and have really spruced it up and added a few new things to it. Check it out!
